BY-LAW CHANGE PROPOSAL

Yellow Highlighted Text to be eliminated

Green Highlighted Text to be added

Changes to By-Laws are to eliminate to implement YMI State of Institute Change adopted at Grand Council Session in June 20022, which 1)eliminated the Associate Member category 2) removed the age criteria formerly in place for Benefit Members and 3) added a 5-year service requirement for YMI Grand Council Death Benefit eligibility. Those By-Law Changes are shown below in Articles 2, 5, 6, 8, & 10 and would become effective October 1, 2022.

Additional change to By-Laws would eliminate Council 613's Death Benefit Program given it may no longer be necessary since members would be eligible for the YMI Grand Council Death Benefit Program. Those By-Law proposals are reflected in Articles 9 & 11 below and would become effective January 1, 2023.

A vote on these By-Law Changes is scheduled to take place during September 13th meeting. If you have comments (pro or con) and can't be at the meeting to comment, please send written comments to Br. Mike Amato by September 6th and they will be share with membership.
