

GRAND PRESIDENT'S MESSAGE

Grand President's Message

Warm greetings to all my Brothers!

Warm greetings to all my Brothers!

As my term of office comes to an end, I want to thank all my Brothers for the privilege of serving as your Grand President this year. The theme of this year was "All We Need is Love" – referring mainly to the love and friendship we share as Brothers together. In my travels to different Councils, I saw plenty of evidence of that brotherhood. I have never been prouder to be a member of the YMI!

The Councils I was able to visit were (in no special order) San Jose #2, American #8, Columba #94, Santa Rosa #40, Dos Palos #99, Francis #573, St. John Bosco #613, South San Francisco #32, Tracy #92, and Our Lady of the Pines #137. In each place, our Brothers showed the generosity and warmth that our Order is famous for. The list of individuals who showed me kindness is way too long to list here - but I remember each one of you, and I thank our Lord for your goodness and cheerful hospitality. Thanks also to Brother Domenic Carinalli, who made several of the trips with me and made the long miles short.

Your Grand Vice Presidents, Brothers Darrell Fonseca and Steve Cresci, were hugely supportive this year. They accompanied me on several of the Official Visits and conducted other Official Visits on their own. Although busy with their own responsibilities, they were always available when I needed advice and counsel, and I cannot thank them enough!

The pandemic is behind us now. All the Councils I was blessed to visit are having in-person meetings. Soon, our Councils will be able to hold traditional fund-raisers and other activities. As one example of our return to normal, **I am happy to report that we are having our Grand Council convention in South Lake Tahoe this coming June!** More details on this can be found elsewhere in this issue of *Under the Lamp Post*. Looking forward to seeing many of you in June!

We have an important change to the By-Laws coming up for a vote in June. You can read the details in this Journal, but in summary this is what the change is: our Associate members will now be covered by the YMI Death Benefit, after they have been in the YMI at least 5 years. It took a lot of work by a bunch of people to get us this far, and we're not quite done yet – this needs to be approved by the delegates to the convention in June.

Please read the proposed By-Law change in this issue. Feel free to contact me or any other Grand Council officer if you have questions. We've been working for years to make this happen. Many thanks to Brothers Mike Dimech and Mike Amato for leading the charge.

I'm writing this in February, but by the time you read it, the holy season of Lent will be half over. A happy and Blessed Easter to all my Brothers and your families!

I have so many fond memories of this year. Tommy Figueira and I watching the eruption of Kilauea late at night, and the long walk back to the car in the dark. In Chowchilla, a yummy polenta dinner made with wild elk, and in Tracy, delicious polenta with sausage. A great potluck in the parish hall in Pioneer, with Phil and Cindy Fondale and their friends. Outdoor BBQ on a sunny day in San Jose, with Alex, Lewis, Frank, and the other Brothers of Council #2. Steve Cresci and I visiting Stuart, Robert, Chris, and Alex at Stuart's home in Oakland. And so many others!

I will end this as it started: thank you again for the honor of serving as your Grand President this year. An honor that I do not deserve and will never forget.

With love for all my Brothers, and for God and Country,
Br. Nick

The Young Men's Institute needs a legal advisor, someone we can turn to on the rare occasions when we need legal advice.

If you work in the legal profession and are willing to help us, please contact the Grand Council Office.

Thank you!!

RED AND WHITE ANNIVERSARY MASS & DINNER!!

For the first time in three years, the Young Men's Institute celebrated the 139th Anniversary of the YMI with a Mass and Dinner. If you recall in 2020, at the very beginning of the Covid 19 Pandemic and lockdown, both the Mass and Dinner were cancelled. In June 2021, Mass was held in San Francisco under Covid restrictions at the parish of our Grand Chaplain. This year was different as we returned to the familiarity of being able to gather in groups again.

The Anniversary Mass was held on March 12th at All Souls Church in South San Francisco. Although attendance was lower than expected, the following Councils were represented at the Mass – San Jose Council #2, American Council #8, Holy Rosary Council #44, Sebastopol Council #54, Dos Palos Council #99, St. John Bosco Council #613 and as host, South San Francisco Council #32.

Rev. Kazimierz Abrahamczyk, pastor of All Souls Church, presided over the Mass that evening. He opened the Mass by acknowledging the long and rich history of the YMI and the good work they continue to do.

Following the Mass, the YMI Brothers, family members and friends, including YLI members, enjoyed a catered dinner in the school cafeteria. Although the Council #32 cooking crew were given the night off, they still volunteered to serve the food to our guests.

Near the conclusion of the dinner the Pro Patria Raffle was held, and winners announced. Brother Darrell Fonseca #99, GFVP was helped by Brother Phil Oberst's #32 young granddaughter, who picked the winning tickets.

Unfortunately, no winners were in attendance but nonetheless a good time was had by all who were there that night.

Much appreciation to those who worked behind the scenes in helping me with the organization of both the Mass and Dinner.

Special thanks to Mara Amato who took all the great pictures at the Mass and the Dinner that night. Some of those pictures are included in this issue of the Lamp Post.

YOUNG MEN'S INSTITUTE

Grand First Vice President's Report

By Brother Darrell Fonseca – 2021-2022

The **48th Annual Essay Contest** of the Young Men's Institute was a big success! 7th and 8th Graders from across the nation wrote outstanding essays on a Pro Deo question, "What can you do to start and energize your Church's Youth program? Provide several examples to explain your plan." High school essays had a Pro Patria theme, "Despite controversies, many people look to law enforcement for guidance and help. What can be done to encourage young people to enter into this profession and maintain high ethical standards? Specifically, what can you do to assist in that process?" Based on their responses, the future looks bright! Special thanks to those who helped me promote the essay contest and those who served as judges. Scholarships are now being awarded.

Thank you to everyone who bought **Pro Patria Raffle** tickets. We had strong support from many individual members, YMI Councils, and many YLI Institutes! Together we raised nearly \$15,000 to fully fund both the essay scholarship program and our annual raffle. Despite an ongoing virus pandemic, GP Nick Franceschine, GSVP Steven Cresci, and I were able to make **Official Visits** to many YMI Councils, some by Zoom. I especially enjoyed recent personal visits to **Madera Council #60**, **St. Columba Council #94 of Chowchilla** for their annual Fish Fry, **Holy Rosary of Hilmar** for their annual St. Patrick's Corned Beef & Cabbage Dinner, and **Dos Palos Council #99**. I accepted and enjoyed the unique invitation to attend and speak at a meeting of YLI Merced/Yosemite Institute. Brother Cresci did an outstanding job of hosting this year's Red & White Mass.

I've attended **Board Meetings** of the Grand Directors, Education and Seminarian Foundations and again want to thank all the dedicated members of each group for their work.

STATE OF THE INSTITUTE

Brothers,

The following proposal seeks to change the YMI Death Benefit Program to allow greater membership participation in this program. This proposal would specifically revise two sections of the existing By-Laws as presented below to set forth this change and a rationale for the proposal has been attached. If adopted, the two-tier membership distinction between Benefit and Associate Members would be eliminated and basically all YMI Members (*excluding Honorary and Junior YMI Members*) would be eligible for YMI Death Benefits going forward.

After getting a legal opinion that we may change the YMI Death Benefit Program in accordance with YMI By-Law procedures, the State of the Institute Committee reviewed and discussed this specific proposal and approved it for consideration at this 137th Grand Council Session in June. All YMI Brothers, especially YMI voting delegates, should review the proposal and its supporting rationale prior to its presentation at the Grand Council Sessions and a secret ballot vote.

Proposed Changes to YMI By-Laws

1. Article VI, Section 1.

Existing language:

*Section 1: **DEATH BENEFIT:** Effective June 23, 2020, upon the death of a Benefit Member, who is in good standing in his Council as defined in this Article, his beneficiary shall receive the sum of two thousand five hundred dollars (\$2,500.00) from Grand Council within thirty (30) days after notice and proof of his death has been submitted to the Grand Secretary by the Council, and upon the approval of the Board of Grand Directors. This sum shall be the exclusive and total Death Benefit to be paid to the beneficiary of a Benefit Member of the Young Men's Institute.*

Proposed language:

*Section 1: **DEATH BENEFIT:** Effective July 1, 2022, upon the death of a Benefit Member, who is in good standing in his Council as defined in this Article, and who has been a member of the Young Men's Institute for at least five (5) years at the time of his death, his beneficiary shall receive the sum of two thousand five hundred dollars (\$2,500.00) from Grand Council within thirty (30) days after notice and proof of his death has been submitted to the Grand Secretary by the Council, and upon the approval of the Board of Grand Directors. This sum shall be the exclusive and total Death Benefit to be paid to the beneficiary of a Benefit Member of the Young Men's Institute. The five-year membership requirement in this paragraph shall not apply to anyone who was a Benefit Member prior to July 1, 2022.*

2. Article VII, Section 1.

Existing language:

*Section 1 **MEMBERSHIP:** Organization membership shall be divided into the following categories:
(a) A Benefit Member is under age forty-five (45) at the time he begins his YMI membership. Said member is entitled to the Grand Council Death Benefit and Educational Foundation Benefits*

providing he is in good standing with his Council as defined in Article VI of the Grand Council By-Laws.

- (b) An Associate Member is age forty-five (45) or above at the time he commences YMI membership. Said member is entitled to Educational Foundation Benefits but not entitled to the Grand Council Death Benefit.*
- (c) Honorary Members are limited to Catholic priests, seminarians and members of religious communities (i.e. deacons, brothers, etc.). Said member shall be exempt from all Grand Council dues and assessments and is not entitled to Grand Council Death Benefits nor Educational Foundation Benefits.*
- (d) Junior YMI Members are limited to young men between the ages of 13-23, who are either full-time students or active in military service, as verified by the respective Councils. Such members shall be exempt from all Grand Council dues and assessments, but are similarly not entitled to the Grand Council Death Benefit nor the Educational Foundation Benefits. At age 24, said member will convert to Benefit Membership status and be eligible for the Grand Council Death Benefit and Educational Foundation Benefits.*

Proposed language:

*Section 1 **MEMBERSHIP:** Organization membership shall be divided into the following categories:*

- (a) A Benefit Member is a member who is not an Honorary Member or a Junior YMI Member, as defined below. Said member is entitled to the Grand Council Death Benefit and Educational Foundation Benefits providing he is in good standing with his Council as defined in Article VI of the Grand Council By-Laws.*
- (b) Honorary Members are limited to Catholic priests, seminarians and members of religious communities (i.e. deacons, brothers, etc.). Said member shall be exempt from all Grand Council dues and assessments and is not entitled to Grand Council Death Benefits nor Educational Foundation Benefits.*
- (c) Junior YMI Members are limited to young men between the ages of 13-23, who are either full-time students or active in military service, as verified by the respective Councils. Such members shall be exempt from all Grand Council dues and assessments but are similarly not entitled to the Grand Council Death Benefit nor the Educational Foundation Benefits. At age 24, said member will convert to Benefit Membership status and be eligible for the Grand Council Death Benefit and Educational Foundation Benefits.*

Rationale for changes:

The purpose of these changes is to extend the YMI Death Benefit to all current Associate Members. The reason for these changes is simple, basic common-sense fairness.

The change to Article VI adds a 5-year “vesting” requirement. It requires that a member must be in the YMI at least 5 years before the death benefit is paid. This is a safeguard to protect the YMI from many people attempting to join us while very ill, merely to get the death benefit. Brothers who are already Benefit Members are not affected by this change. Nearly all our Brothers already have 5 years in the YMI, so this shouldn’t be a problem for our members.

The change to Article VII redefines “Benefit Member” to include everyone who is currently either a Benefit Member or an Associate Member.

The practical effects of these changes will be:

- For current Associate Members, their beneficiaries will now be eligible for the same death benefits as Benefit Members.
- For current Benefit Members, there is no change. Nothing is being taken away.
- The quarterly assessments for Councils will increase by \$3 times the number of Associate Members. So instead of paying \$3 for each Benefit Member every quarter, the Council will pay \$3 for each member every quarter.
- The dues for Associate Members in most Councils will increase to cover the difference in assessments. In most Councils, Benefit Members already pay more in dues than Associate Members do, because of that \$12 per year assessment. This works out to about \$1 per month.

The cost of these proposed changes can be illustrated by these estimates of the value as of December 31, 2021 of future death benefits from (1) the current Death Benefit program, compared to (2) these proposed changes:

	<u>Current Program</u>	<u>Proposed Changes</u>
Value of future death benefits	\$ 1,465,000	\$ 2,378,000
Available funding		
Invested assets	\$ 2,173,000	\$ 2,173,000
Value today of future \$12 assessments	<u>190,000</u>	<u>263,000</u>
Total	\$ 2,363,000	\$ 2,436,000
Surplus assets	\$ 898,000	\$ 58,000

Conclusion:

Before concluding, please allow me to thank my fellow State of Institute Committee Brothers (i.e. Avery, Bartoli, Cresci, Dimech, Franceschine, Hepburn) for committing many hours to diligently research, review, and discuss this proposal prior to submitting it for consideration.

Yours for God & Country,

Michael Amato #613, IPGP
Committee Chairman
