YMI MISSION STATEMENT

The Mission of the YMI is to provide for the mutual aid and good will, the moral, intellectual and social improvement of its members, devotion to the Catholic Church, and loyalty to our country in accordance with its motto: “Pro Deo, Pro Patria – For God, For Country”. To achieve this mission, the YMI dedicates itself to the education of its members in things Catholic, in things American and in all things that will lead all men to their ultimate salvation.

Grand President's Program 2021-2022

“All We Need is Love”

This year's theme has nothing to do with a song by musicians from Liverpool. Rather, this is about the very core of what the YMI is and what we stand for.

In our initiation ceremony, we stress love of God, love of Country, and love of our fellow men. This love of everything that truly matters is the very heart of what our brotherhood is all about.

First and most important of all, is **love of God**. This comes before everything else in our universe. This was the first of the Ten Commandments, to love God before all else, even ourselves. When the scribe asked Our Lord what the greatest commandment is, the Master told him to love God with all our heart, all our soul, all our mind and all our strength (Mark 12:30). Loving Him includes obeying His laws, which are few and simple, yet so profound.

Loving our Country should be second nature to us. God has given us a magnificent land, full of awe-inspiring beauty and abundant resources. We must be reasonable stewards of these blessings, preserving them for the generations that follow us. We must also obey the just laws that our elected leaders have set forth for our well-being and protection. Many of our Brothers have served our Country in the Armed Forces, as peace officers, or in other capacities. There are many ways we can all be good citizens – even something as simple as observing the speed limit is an act of love for America.

Now we come to **love of our Brothers**, which is probably why most of us joined the YMI to begin with. Spending time with each other, sharing prayers and meals, working together on parish and community

projects. Visiting and praying for Brothers who are not well; raising money for worthy causes; sharing our time, energy and humor with our friends. These things are what makes our organization great. Loving our Brothers is easiest of all!

Our Declining Membership

Let's face this right now. We live in a challenging time in our organization's history. Our numbers have dropped dramatically in recent years. Several Councils have been closed or merged into others. Every year, we hear of more Councils on the verge of folding their tents. It seems as though the YMI is spiraling toward extinction.

What is going on? The answer is that American society itself has changed. People just don't join clubs the way they used to. Fifty years ago, things were very different. Folks joined clubs in the community, at their place of worship, ethnic groups, and so on. It was just what people did. But today, even though Americans are enjoying more free time than we've ever had, there are vastly more things that we spend our time on. As a nation, we're just not joining clubs the way we used to.

This has NOTHING to do with the YMI. It's not about us at all. The YLI is experiencing this. So is the Italian Catholic Federation, the Knights of Columbus, the Moose, the Elks, the Lions, and all the other clubs.

Don't listen to Chicken Little, Brothers: the sky is not falling! Some of our members are panicking because of this, but there is no reason to. We have a wonderful organization, we are still active and strong.

So – what do we do about it?

The most important thing is: not to worry about it! No really, that's the right answer. We can't change the world, we can't even change the community we live in. What we can do is to continue doing the smart things:

- If you see a gentleman at Sunday Mass that you think might be a good member, absolutely invite him to join us. You're doing him a favor by asking him. We are a great bunch of guys and we have good times together. If he says no, that's ok, no hard feelings. The last thing you want to do is twist someone's arm to get him to join, that never works!
- If your pastor is on board, have a membership drive every so often. If the priest can give us a plug from the pulpit, so much the better. Maybe you can get a few members that way.
- Some of our Councils have had success with the annual Pro Patria Essay Contest. When the essays are returned to the students along with their personalized certificates of participation, this is a great time to approach the dads and other family members about membership. Even the high school students (the boys anyway) can join us as Junior members – and it costs them nothing!
- Have a membership application in your car all the time. You can download it off the YMI web site, or your Council's financial secretary can give you one, or just ask any Grand Council officer and we'll be happy to mail some to you! In your everyday life, just think about mentioning the YMI to your Catholic friends. This is old-fashioned but always true: some men, believe it or not, really just want to be asked.

There are lots of other good ideas to get members that have been spread around, these are just a few.

What we're NOT going to do is panic and give up. Yes, our numbers will continue to decrease. We can't turn back the clock or put toothpaste back in the tube. This is the hand that Our Lord has dealt us so we should thank Him for His love and blessings, and then work with what we've got. You can feel the **love of our Brothers** at every gathering we have. Praise God for the YMI!

In the years ahead, we should continue the activities that have made us successful, for example:

- Dinners with our Brothers, where we can share experiences and stories that enrich us all.
- Praying together for our Brothers and their families. Attending Mass as a group every year, or more often, is a wonderful practice that some Councils follow.
- Raising money for worthwhile causes.

To all my Brothers: let us always remember that the love and friendship we share is what the YMI is. As John Wayne said in *The Green Berets*, “You’re what this is all about!”

Yours for God and Country,

Br. Nick

Prayer to St. Joseph, Our Patron Saint

Hail, Guardian of the Redeemer, Spouse of the Blessed Virgin Mary. To you God entrusted his only Son; in you Mary placed her trust; with you Christ became man. Blessed Joseph, to us too, show yourself a father and guide us in the path of life. Obtain for us grace, mercy, and courage, and defend us from every evil. Amen.

DISTRICT DEPUTY GRAND PRESIDENT

Networking is a very popular concept in today's technological world. For the YMI, networking is most importantly defined as two-way communication. To listen is to learn. To be able to act on that learning is a true talent. The Brothers of the Young Men's Institute who have accepted the responsibilities of District Deputy Grand President (District Deputy) are indeed talented. These caring men will serve in a vital communication role for the YMI network in being the eyes and ears of the Order.

The District Deputy position is responsible

- to articulate the Grand President's program to Councils,
- keep the Grand President apprised of the conditions of Councils,
- visit their respective Councils at business and/or social gatherings,
- assist Councils (e.g. installing new officers, preparing for annual audits, etc.)
- assist Grand Council by following up on matters impacting Councils in their Districts shall seek to assist in the organizing of new Councils.

Each District Deputy shall submit by e-mail a brief quarterly report to the Grand President in reference to their assigned District. The report should cover activities being planned by the Councils in the assigned District, as well as sharing noted successes and challenges encountered during the quarter. The reports are due 7 days after the close of the quarter (i.e., Oct 7th, Jan 7th & April 7th). With these reports, the Grand President can provide a summary of the District Deputy reports at Grand Director meetings. Each District Deputy Grand President will also send in a written summary report of their activities during the year to the Grand President by April 15, 2022, which will be published in the Advance Proceedings.

For your efforts, each District Deputy will be awarded with voting privileges to be a Delegate at the 2022 Grand Council Sessions and will receive high gratitude from the Order for their commitment and support.

DISTRICT/COUNCIL VISITATIONS BY GRAND COUNCIL OFFICERS

In a true showing of YMI fraternalism, the Grand President, Grand First Vice-President, Grand Second Vice-President and some other Grand Council Officers will be visiting Councils throughout this YMI year. These visits will be coordinated through the office of the District Deputy. The visits will be about listening, asking for suggestions, and offering help. The Grand Council exists to support all Brothers at the Council level. Our goal is to complete these rounds of visitations before March 1,

2022, giving the Grand Officers the Spring months for follow-up. Each Grand Officer is encouraged to visit as many Councils as possible in an informal manner.

COMMUNICATING WITHIN THE YMI

The Grand Council Office continues to invite all Brothers who have an e-mail address to join our list. Frequent announcements regarding both Council and Grand Council activities will be advertised this year. In order to place your address on the list, please send an e-mail to Brother Tom Fourie at ymius@aol.com and state that you want to be included.

The list is being structured in such a way that individual Councils will be able to send messages just to their Council members. This service is being offered to increase communication among all Brothers of the YMI and there is no cost to anyone.

The YMI web site (www.ymiusa.org) is up and running well. Please take a look and utilize this tool for yourself, your Council, and to have prospective members see what we are about. www.ymiusa.org
