YMI MISSION STATEMENT

The Mission of the YMI is to provide for the mutual aid and good will, the moral, intellectual and social improvement of its members, devotion to the Catholic Church, and loyalty to our country in accordance with its motto:

“Pro Deo, Pro Patria – For God, For Country”.

To achieve this mission, the YMI dedicates itself to the education of its members in things Catholic, in things American, and in all things that will lead all men to their ultimate salvation.

The Mission Statement was approved by the YMI Board of Grand Directors May 4, 2002

Grand President's Program 2023-2024

As corny as it may sound it is time to get back in the pool. Remember when you were a kid and had so much fun on summer days, cooling off in the pool with your friends. How about as you became older, perhaps in high school or later on - swimming laps at the local YMCA. Remember how invigorated you felt when you finished your swim?

What I am saying is if you have drifted away, it is time to get back and be a part of our wonderful organization. It can happen and I believe you will experience a certain satisfaction that only comes when you truly become a part of the brotherhood of the YMI.

There are reasons we as an organization have struggled with declining membership and lack of growth. Number one of one of course has to be we are getting older. Attrition is only natural in an organization that is nearly 140 years old.

Another reason is that the percentage of Americans who attend religious services is now "significantly lower" than before the Covid -19 pandemic, especially among young people and other groups identified as less likely to regularly attend according to 2022 American Religious Benchmark Survey on behalf of the American Enterprise Institute.

There is a correlation between the impact of the pandemic on our everyday lives. Perhaps we are no longer going to Council meetings or in some cases no longer meeting on a regular basis. Even the social events we enjoyed so much in the past have taken a hit. Just last year, the Bocce Ball Tournament, which always was well attended (pre-pandemic) had to be cancelled for lack of interest.

Perhaps there is another underlying reason, one that is more serious to consider and that is apathy. That can lead to not caring about the YMI and eventually a member dropping out. For those who may be uncertain about the YMI and the benefits of being a member one must ask, "Why did I join the YMI? Is it no longer relevant for me? Do I really get anything out of the YMI anymore?"

I truly believe these questions can be answered by the principle you can only get what you put into something. How have you contributed your time and resources to your Council? Do you serve as an officer or on a committee or volunteer when called upon?

Part of my message to all of you is let us get back and become involved. It only takes a little time and effort.

From the social side there are YMI picnics, Golf and Bowling Tournaments, Bocce Ball, Christmas Dinners and in August a YMI Day At the Ballpark.

From my visits to various Councils in the past year I do hear of wonderful and successful events within the individual Council such as community dinners and drive-up BBQ prepared dinners. I am encouraged by these social and outreaching events and the success of each event. They can have such a lasting impact in our local communities.

MEMBERSHIP & GROWTH

We all can see the struggle in retaining membership and growth. There are other organizations within our Churches that are also looking to expand their membership. In my parish church alone, there are six organizations from the Fil-Am Society to the Knights of Columbus. There are also 15 different ministries including a Young Adult Ministry. We can co-exist with the various organizations and not be threatened but work beside them.

At Mass we can continue to usher, be hospitality ministers, lead bible study, be a reader, and minister Holy Communion. The list goes on. The more we can do the better for shining a light on the YMI.

I ask for each Council to see that their members are actively participating in the weekly mass.

If your Parish has a school, then there is an opportunity to reach out to new members. Sports programs, Back to School Nights, sponsoring a movie or gaming night are all ways to bring the YMI to the forefront. It hasn't been easy, and we have all heard the reasons why we don't get new members – people don't have time, they are involved with other things, - and I think we must accept that, but it doesn't mean we stop trying.

I ask that each Council, no matter how big or small, have a membership committee. There should be a concentrated effort to put together a plan

for bringing in new members. **I further ask that there be a goal of 5% membership for bringing in new members beginning in July.**

As I make my visits throughout the year, I look forward to hearing from your Council on what has worked for membership recruitment.

PATROTISIM

Although I did not serve my Country in the military service, I am proud of my father who served time in Korea. He too was a member who encouraged me to join the YMI. Ever since I became a member, I have come to know those Veterans who are in my Council and others as well. These men are an integral and vital part of the YMI. I can't imagine the YMI without them and their devotion to their Country.

As my President's message I encourage each Council to have at least one meeting, or one month honoring the Veterans who served our Country. Ideally, in the Month of November – Veteran's Day or May - Memorial Day, Armed Forces Weekend.

Consider having your Council participate in a Parade such as a 4th of July or Veteran's Day parade. What better way to show our patriotism and be recognized in our local community.

FAITH

There is a lot of noise in the world today. Wars rage on, there is tension between borders of Countries, and a sense of general discontent in the United States no matter where you stand on the political side. Closer to home there is homelessness, drug crisis, social unrest. Technology can overwhelm us and there is something very unsettling concerning artificial intelligence.

Our faith in the Lord Jesus Christ is just important today as it was back in 1883 when the YMI was founded. We must continue to look for guidance, from Jesus Christ, and keep our spiritual life alive by prayer. Attend Mass, receive the sacraments, pray for our Brothers & Sisters.

Jesus Christ did not work alone; He had His apostles to spread the good word. There are also Saints who have had carved a way for us to live a

Christian Life. From St. Augustine to St. Joseph, the YMI Patron Saint, to St. Xavier.

In closing I would like to have as part of my Grand President's Program the Prayer of St. Francis of Assisi. A few reasons, being born in San Francisco (the Patron Saint of San Francisco) and at St. Francis Memorial Hospital, and of course our Pope Francis, I thought it would be appropriate.

Let us all live each day by following the words of the prayer of St. Francis of Assisi.

For God & Country.

Br. Steve Cresci

Peace Prayer of Saint Francis of Assisi

Lord, make me an instrument of your peace:
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy.

O divine Master, grant that I may not so much seek to be
consoled as to console, to be understood as to
understand, to be loved as to love.

For it is in giving that we receive, it is in pardoning that
we are pardoned, and it is in dying that we are born to
eternal life.

THE OFFICIAL YMI PRAYER

O God, who has created all men to know, love, and serve you through the intercession of St. Joseph, Protector of the Holy Family and Patron of the Young Men’s Institute, grant us the grace and strength, by our prayers, works and example to draw ever closer to you. Guide and assist us to spread among our fellow men the kingdom of your truth and love and peace. Amen

Prayer to St. Joseph, the Worker

Glorious Saint Joseph, model of all who are dedicated to labor, obtain for me the grace to work in the spirit of love and to faithfully place my responsibilities above my own desires.

Help me to work with joy and gratitude.

Let me consider it an honor to use and develop the gifts I have received from God.

Aid me to work with order, peace, moderation, and patience.

Help me to work above all for the glory of God and the coming of his kingdom.

May I remember that I am to give an account of the gifts and talents I have received.

THE INVITATION

TO THE YOUNG MEN WHO TALKED ON THE STREET CORNER LONG AGO, THE LIGHT FROM THE LAMP POST SEEMED TO EXTEND INTO THE DARKNESS FIFTY OF A HUNDRED FEET.

BUT IF, ON THEIR WAY HOME, THEY HAD HAPPENED TO LOOK BACK WHEN THEY WERE TWO BLOCKS AWAY, THEY WOULD HAVE SEEN THE LIGHT EASILY. AND IF BY CHANCE THEY HAD CLIMBED TO THE TOP OF TWIN PEAKS AND LOOKED DOWN, WHEN THERE WERE NO OTHER LIGHTS IN THE CITY, THEY STILL COULD HAVE SEEN THE LIGHT. A MAN WITH A TELESCOPE COULD HAVE SEEN IT FROM EVEN FARTHER. WE DO NOT KNOW, IN FACT, HOW FAR THE LIGHT ACTUALLY EXTENDED. ONLY GOD KNOWS.

IN LIKE MANNER, AND FOR LIKE REASONS, ONLY HE KNOWS THE LIMITS OF POTENTIAL INFLUENCE OF THE YOUNG MEN'S INSTITUTE. TO HIS KNOWLEDGE AND TO HIS GUIDANCE THE ORDER COMMENDS ITS FUTURE.
